RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

SIR:

This paper is submitted in response to the paper entitled "Notice of Non-

Compliant Amendment (37 CFR 1.121)" (hereinafter the "Notice"), mailed on July 19, 2007 in the above-identified patent application.

On July 2, 2007, applicants' undersigned counsel filed a paper entitled "Amendment and Response to Under 35 USC § 121" which was signed by applicants' undersigned counsel on June 28, 2007 and carried a certificate of mailing under Rule 1.8 dated June 28, 2007 (the "Amendment"). According to the Notice, the Amendment was non-compliant in that, in the section devoted to amendments to the claims, the listing of the claims did not include the text of all of the pending claims, including withdrawn claims; the Notice also specifies that there was no text for withdrawn claims 74-75. A substitute section for the Amendment, entitled "Amendments to the Claims," in which this oversight has been corrected, is attached hereto.

Applicants have now remedied all of the shortcomings in the Amendment that were itemized in the Notice. Accordingly, further favorable action in connection with this patent application is earnestly solicited. The Office is invited to contact the undersigned

attorney by telephone if it will advance the prosecution of this case.

Respectfully submitted,
